

Language Program Evaluation: Theory and Practice

Filesize: 8.62 MB

Reviews

These types of book is the greatest ebook readily available. I was able to comprehended every little thing using this published e pdf. I realized this pdf from my dad and i encouraged this publication to discover.

(Dr. Porter Mitchell)

LANGUAGE PROGRAM EVALUATION: THEORY AND PRACTICE

Cambridge University Press. Paperback. Book Condition: new. BRAND NEW PRINT ON DEMAND., Language Program Evaluation: Theory and Practice, Brian K. Lynch, Michael H. Long, Jack C. Richards, Although much has been written about the testing and evaluation of language students, few books have dealt with the much broader issue of measuring the success of language programs. Filling a critical gap in the literature of applied linguistics, Language Program Evaluation provides teachers, researchers, and administrators with a complete introduction to both qualitative and quantitative approaches to evaluating the effectiveness of their programs. Through a careful blend of theory, research, and practice, the author presents a testing model that is specifically tailored to the concerns of language education programs and which can be adapted to different contexts and updated as teaching and learning situations evolve. He proposes a shift from purely quantitative studies which consider only end-of-program achievement gains to ones that include an investigation of program process using qualitative, naturalistic methods.
