Stony Meadow Publishing, United States, 2012. Paperback. Book Condition: New. 241 x 168 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Two redhead educators and a horror publisher walk into a bar . . . during a zombie apocalypse. Armed with only their wits and a fully-charged-laptop battery, they hammered out the world's darkest writing manual amidst the flurry and chaos of gnashing teeth and rotting cadavers. Each chapter of the handbook is devoted to a different genre of writing--everything from academic writing (complete with MLA and APA sample essays), business writing, and even poetry and fiction--all of it with a dark and undead twist. Developing or improving your writing skills has never been so enjoyable. WRITE OF THE LIVING DEAD is the spawn of two scholarly writers and a publisher conspiring to create a freshly dug look at writing for different genres and media. Spattered with popular horror culture and written with horror enthusiasts in mind, this book raises the struggling writing handbook from the dead. Addressing methods of voice, style, function, and formula, WRITE OF THE LIVING DEAD is the perfect tool for students, writers, poets, authors, business writers, and teachers with a dark side.
