Worse, many of her previous arrests are now in question, and guilty fraudsters are going free. When a string of deadly tornadoes rips across the state and someone close to Julia winds up dead, she and her former DOI partner Mark Vincent must team up with Tripp Carver and Helena St. John to solve the murder, find a crucial piece of evidence, and keep themselves alive in the process. Meanwhile, Julia and Vincent decide to move forward with their tentative romance. But they soon find that moving on is hard, especially when someone wants them dead.
