Little, Brown Company, United States, 2012. Paperback. Book Condition: New. Reprint. 203 x 130 mm. Language: English . Brand New Book. The smart-mouthed but sensitive runaway socialite Madeline Dare is shocked when she discovers the skeleton of a brutalized three-year-old boy in her own weed-ridden family cemetery outside Manhattan. Determined to see that justice is served to the perpetrators, Madeline finds herself examining her own troubled personal history, and the sometimes hidden, sometimes all-too-public class and racial warfare that penetrates every level of society in the savage streets of New York City during the early 1990s. She is aided in her efforts by a colorful assemblage of friends, relatives and new acquaintances, each one representing a separate strand of the patchwork mosaic city politicians like to brag about. The result is a gripping narrative that relates the causes and consequences of a vicious crime to the wider relationships that connect and divide us all. In *INVISIBLE BOY* Cornelia Read depicts, with sensitivity, eloquence and powerful emotion, the unstable fault lines of family, friendship, and society at large.
