Puffin, Delhi, India, 2011. Soft cover. Book Condition: New. Welcome to the wonderful world of Moochhander the Iron Man, whose moustaches can do just about anything. They can lift weights and pull cars; they can be tied to the circus dome and used to swing in the air without a trapeze. But will they be able to console poor Moochander when he is sad and lonely. You will also find in this book a giant baker who makes giant buns and cakes that will make your mouth water; a wicked monkey who interrupts a wedding by stealing the bride; and a little piglet who solves the case of the missing piglets. Accompanied by Michelle Farooqi's delightful illustrations, these charming stories are perfect for reading over and over again.
