

Histoire de la Bible

Filesize: 7.54 MB

Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Seuil, 2015. Couverture souple. Book Condition: Neuf. Collection Points sagesse. 304 pages. Présentation de l'éditeur: "Entre sacralisation et méfiance, ce passionnant ouvrage présente une histoire profane de la Bible, permettant non pas de nous conduire au cur de son contenu, comme la plupart des études existantes, mais de nous faire connaître l'histoire de sa constitution, de sa transmission ? fabrication et traduction comprises ?, et de son rayonnement. D'où vient ce monument de notre culture ? Par quels détours est-il parvenu jusqu'à nous ? Comment se fait-il que, sous un même titre, on trouve des volumes organisés de différentes manières et des textes présentant des divergences ? Ses traductions furent-elles fidèles ? Un passionnant essai qui s'adresse aux esprits curieux de l'histoire de la pensée et des littératures comme aux férus d'histoire sainte qui veulent aller au-delà de la seule pensée religieuse. Pierre Monat Ancien professeur de latin à l'université de Franche-Comté, il a consacré ses travaux de recherche à la mise en oeuvre de la Bible chez les premiers écrivains chrétiens."
