Surprised by the Voice of God takes you to the Bible to discover the variety of creative, deeply personal ways God still communicates with us today. You'll learn how God speaks with people apart from the Bible, though never in contradiction to it. Jack Deere first describes the ways God revealed his thoughts to first-century Christians. Then he tells why God continues to speak to us using the same methods. Finally Deere tells how accurately God speaks through prophecies, dreams, visions, and other forms of divine communication. With candor, sensitivity, and a profound understanding of Scripture, Deere identifies our hindrances to hearing the Holy Spirit and calls us beyond them to a more intimate relationship with God. Filled with fascinating stories and personal accounts, Surprised by the Voice of God is for all who want to walk in the dynamic scope of Christianity.
