Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Tabernacle: Or the Gospel According to Moses You have, in these chapters, gleanings from a field in which this labourer has toiled for more than half a century. Four times has he delivered the doctrines here set forth, in the form of lectures: first to his pastoral charge proper; afterwards, to the still more important charges successively, in Lafayette College, Miami University, and Washington College, Virginia. Each delivery was accompanied with a careful revision of the whole matter under consideration. Nevertheless, these are reminiscences, for the fortunes of war have cut him off from all his books, papers and even letter files: so that, present labour and the remembrances of fifty years back, are here presented, combined, and condensed into this little volume. The tiny book is a compend of Christian theology. I say Christian theology; for I have, long ago, been forced into the conviction, that without a diligent study of the tabernacle, no man ever acquires clear, transparent, and practical views of evangelical truth in systematic order. A few things you will find here, different from commonly received interpretations. Prominent is given to the central point of the moral universe; and care is taken to keep the symbols separate and distinct.
