

My iPad for Seniors (Covers iOS 8 on all models of iPad Air, iPad mini, iPad 3rd/4th generation, and iPad 2) (2nd Edition)

By Rosenzweig, Gary; Jones, Gary Eugene

Que Publishing, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: My iPad for Seniors offers readers a full-color, fully illustrated, four-color step by step resource to using their iPad to do everyday tasks such as web surfing and email, as well as apps to help with managing finances, planning travel, finding a restaurant, communicating with friends and family using apps like Skype and FaceTime, organizing and editing photos and much more. Each task is stepped through with corresponding visuals that are numbered to match the step they are referred by. Notes and sidebars give additional insight into using the iPad without requiring the reader to sort through paragraphs of text to find the information they want. Tasks are clearly titled to help the reader quickly and easily find things they want to accomplish on their iPad. Everything from setup and configuration to using apps like Pages and Maps is clearly illustrated and easy to follow. Learn how to use the iPad's two cameras to take pictures and video and share them with friends or chat with them live. Use Siri to dictate email, messages, notes and more. Take video with the front and rear camera. Video...

Reviews

This book is definitely worth acquiring. I have gone through it and I am certain that I will likely to read through again and again in the future. It's been printed in an exceptionally basic way in fact it is only after I finished reading this publication in which it actually altered me, change the way in my opinion.

-- Andres Bashirian

Comprehensive guide for publication fanatics. This really is for all who state there had not been a well worth reading through. I discovered this ebook from my dad and I encouraged this book to find out.

-- Lacy Goldner
