It is one of the best ebooks. It really is filled with knowledge and wisdom I realized this publication from my dad and I advised this publication to understand.

Flying Eye Books, United Kingdom, 2014. Hardback. Book Condition: New. 274 x 208 mm. Language: English . Brand New Book. One cool day in late October, Georgia noticed something weird. Objects would move around the house and sometimes they even disappeared. Now, some people may have wondered (especially at this time of year) if this was the work of something spooky? But not clever Georgia! She has all the explanations and none of the fear! Join her in debunking the spookiest of ghoulish and ghostly mischief in this Halloween adventure! Ella Bailey is an illustrator and writer who recently graduated from Falmouth University, England, with a first class honors degree in illustration. Although a recent graduate, her charming characters and effortless storytelling easily belie her years. Her engaging narrative rhythm, and boundless imagination, is instantly captivating. Her art blends the plucky playfulness of a modern day Mary Blair with the whimsical sincerity of a millennial. No Such Thing is her first published work.
