Reviews

This publication is great. It is full of wisdom and knowledge You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).

(Dr. Everett Dicki DDS)

Alphascript Publishing Dez 2009, 2009. Taschenbuch. Book Condition: Neu. 220x150x5 mm. Neuware - Blackburn is a large town in Lancashire, England. It lies to the north of the West Pennine Moors on the southern edge of the Ribble Valley, 8.9 miles (14.3 km) east of the city of Preston, and 21 miles (34 km) north-northwest of the city of Manchester. Blackburn is bounded to the south by Darwen, with which it forms the unitary authority area of Blackburn with Darwen, Blackburn being the administrative centre. At the time of the UK Government's 2001 census, Blackburn had a population of 105,085, whilst the wider borough of Blackburn with Darwen had a population of 137,470. A former mill town, textiles have been produced in Blackburn since the middle of the 13th century, when wool was woven in people's houses in the domestic system. Flemish weavers who settled in the area during the 14th century helped to develop the woollen cottage industry in the region. James Hargreaves, inventor of the spinning jenny, was a weaver in Blackburn.[4] The most rapid period of growth and development in Blackburn's history coincided with the industrialisation and expansion of textile manufacturing. 84 pp. Englisch.
