The last time didn't go so well, and now she needs money to get her bike fixed. Without it, she's stuck in a house with two annoying little brothers on a street with no friends and no excitement-and a constant stream of moms who want her to babysit their little monsters. It's a dilemma! Scratch that. It's a de-lemon. So Grace takes her lemons and makes lemonade-but no money. Then things quickly go to the dogs when Grace's best friend, Stephie, brainstorms their next business venture: walking the neighbor's trio of pups. Put your head together with Grace as she starts to think for herself and learns that best friends don't have to lead identical lives to remain BFFs.
