Many people including my friends are wondering and asking me series of questions 1. How are you doing it, 2. What is the magic secret, 3 How are you looking younger than your age. Haa Sola you never change you still look the same, what is the secret. By popular demand I am writing this book to answer all burning questions people, friends, families colleagues are asking me. This book will not only answer all questions being asked but will also go beyond that. Every one would like to look a bit younger even they could just knock five years off their appearance. Some people turn to injections and painful surgical procedures in their quest for a youthful appearance, but that is not the only way to do it....
