Revolution Handbook

By William Bradford Cushman

Createspace, United States, 2011. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.The Founding Fathers of the United States, all wealthy white men, felt strongly that only they were entitled to rule our new country. They enshrined this belief in law by limiting suffrage to men like themselves: male, white, property owners. This method was ultimately unsuccessful, and was overthrown in a series of forceful actions by the poor, by women, and by people with darker skin. Most of us now have the right to vote; we just don't have the right to have those votes counted in a transparent election. The Founding Fathers were deep thinkers who left little to chance. Their first control method failed, as they must have realized it would. But they built a second control method into our government that's main purpose is subtly concealed. Instead of a democracy our new country was formed as a republic. In a republic a small group of representatives are elected to implement the will of the people --- but in the United States our elected representatives do not represent the vast majority. Our representatives work exclusively...

Reviews

An exceptional publication as well as the font employed was exciting to see. it was actually writtern extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Dominic Collins**

This ebook could be worthy of a read through, and far better than other. I am quite late in start reading this one, but better then never. I realized this publication from my dad and i advised this publication to learn.
