It is in the nature of all revolutions that they start quietly and in the dark; they blossom only with soft whispers and secrets. It is also in the nature of revolutions that they are imperfect. Thatcher Vyne is the perfect man in the perfect world; a god amongst men. Yet nothing and no one is what they appear to be. Living within the single city on earth where the last of the genetically homogenised human race thrive, his obedience to the rules of his government hides the rebellion that could cost him everything. As he seeks freedom from the manipulations of corrupt officials Thatcher finds more than he s looking for: a woman whose existence should never have happened and a secret that could tear their world apart. Uncertain who he can trust Thatcher works to save her as she become his obsession, his purpose, his destruction and his salvation.
