Brand New Book ***** Print on Demand *****.Excerpt from Citrus Fruits in California: A Monograph Describing the Basic Principles and Practices of Successful Citrus Fruit Production, From the Planting of the Tree to the Harvesting of the Crop In presenting this cultural book oh citrus fruits, we want to thank our friends and patrons for the many favorable comments on our stock, which has been the means of an ever increasing patronage from strangers. As a result of this increase in business, we have deemed it necessary to issue a treatise on citrus fruits covering their culture in a more complete and general way than it was treated in our booklet Citrus Fruit Culture. Realizing that success depends upon satisfied customers, we shall strive to come as near perfection as is possible, both in the selection of soil and climatic conditions, as well as in the care and management of the growing nursery stock. In our effort to secure these conditions, we have made numerous experiments in different localities where conditions seemed to be favorable for the growing of perfect citrus trees. As a result we have selected a location at La Habra, Orange County, California, where both soil and climatic conditions are most favorable for this work, and we feel assured that we shall be able to grow a very superior quality of tree. Owing to the fact that we have planted all of our Exeter lands to orchard, and that in the future all of our nursery stock will be grown at La Habra, has made it necessary to change our principal place of business to the city of Los Angeles, where we shall maintain an office and sales yard in the...
