Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Outskirts Press, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****. You sit at your desk job, or work tirelessly at your food service or retail job, and daydream about what it would be like to have your own business; to be your own boss. You wonder what it would be like to have the kind of time and freedom to set your own schedule, to be able to spend more time with your kids or your significant other. In *Taking the Next Step to Living Your Dreams*, you will learn what it takes to make that next step beneficial. Hearing first-hand accounts of other women just like you, who have gone before you, will show you that you can do it too! In this book, you will learn practical application steps to begin your own business venture: Goal Setting and Lead Generation, 7 Key Components of effective time management for business owners, How to determine which Social Media outlet is best for your business, Networking for your personality type, How to measure your success. What this book is not: Legal advice on how to form a company, How to write a business plan, Fluff about how having your own business solves all your problems. There are plenty of other resources available on those key components, well at least two of them. The goal in writing this book was to share inspirational stories that will motivate other women, who desire freedom and time, to take the next step of faith. The bottom line is that having your own business won't solve all your problems, but it can give you opportunities that you have never had before. This book includes 5 case studies from women just like you,...
