Brand New Book ***** Print on Demand *****.Excerpt from Souvenir of Banquet: Celebrating the Completion of the First Series of One Thousand Laparotomies The men, who in war fight and bleed side by side, greet each other even years afterwards with unbounded enthusiasm, for untold sacrifices and desperate struggles always inspire a deep mutual admiration. So we, who have toiled and battled against our terrible antagonist, Disease, clasped each others hands on the first of May, eighteen hundred and ninety-seven, with our hearts full of good-will - good-will which found but feeble expression through our lips. The surgeons, physicians, assistants and nurses who assisted me in the completion of one thousand laparotomies showed their good wishes, not only by their presence around the festive board, but by their charming toasts. It is unnecessary to dwell upon the varied emotions of those assembled, for their responses all echoed the same feeling. During the progress of the next thousand laparotomies, it may be encouraging to reflect upon what was said by those who assisted in the completion of the first.
