One of the most challenging (and rewarding) positions a person may find themselves in is that of a parent. Unfortunately, few prepare for this great responsibility, even though it is part of the majority of ones life. J. C. Ryle comes to the rescue once again, with sound Biblical advice to aid in this daunting task. Originally published in the 19th century as The Duties of Parents, this short book contains 17 nuggets of wisdom for training children. You could easily read the entire book in a single evening, but we would recommend taking your time to consider each point. Study questions will help you apply what you have read to your own life. The principles which are outlined in this book are not quick fixes. Parenting is hard work, but if you put into practice the things which are mentioned, your children will be prepared for a lifetime. Remember, you are parenting for eternity. <http://www.parentingforeternity.com> <http://www.jcryleonline.com> <http://www.warrenhagey.com> This item ships from La Vergne, TN. Paperback.
