Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. Large Print. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Anna Green Winslow (29 November 1759 - 19 July 1780), a member of the prominent Winslow family of Boston, Massachusetts, United States, was a girl who wrote a series of letters to her mother between 1771 and 1773 that portray the daily life of the gentry in Boston at the first stirrings of the American Revolution. She made copies of the letters into an eight-by-six-and-a-half-inch book in order to improve her penmanship, making the accounts a sort of diary as well. This diary, edited by 19th-century American historian and author Alice Morse Earle, was published in 1894 under the title *Diary of Anna Green Winslow, A Boston School Girl of 1771*, and has never gone out of print. The diary provides a rare window into the life of an affluent teenage girl in colonial Boston. While making some changes for contemporary readers, Earle kept the original fanciful spelling and capitalization. Anna's diary hints at the effect Revolutionary fever had on families who split on the question of how the British Crown treated its 13 American colonies. Earle, who specialized in books on Colonial New England, added enough footnotes to nearly double the published book's length. In the footnotes, Earle made explicit how the American Revolution divided the extended Winslow family and clarified two oblique references to the Boston Massacre. Anna's father was a confirmed Loyalist, but it seems that Anna may have been more like her distant cousin, Patriot Dr. Issac Winslow (whom she visited for eight days, along with his father, Major-General John Winslow at their home in Marshfield, Massachusetts in the spring of 1773), for she refers to...
