*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.*

Translated from the Italian by Sabine Pascarelli. Winner of the 2007 Bordighera Poetry Prize, Emily Ferrara s THE ALCHEMY OF GRIEF sings in the music of line with deep emotion from a mother s heart and a journey of transformation. THE ALCHEMY OF GRIEF shows Ferrara s ability as a healer through the beauty of her language. This is excellently controlled craftsmanship, conveying deeply felt emotion. The grief of loss is sharply poignant and real, yet never maudlin or self-indulgent. The music of the lines is subtle and fine. The tension between the controlled craft and the poignancy of the theme makes the reader participate in the poems and feel with the poet, sharing the human despair and transcendent emotions that bring us through to survive -Daniela Gioseffi.
