Heavy Crowns is the work of a young woman trying to make sense of the many boulders on her back and why some of them feel more like home than home itself. This is a journey and a peek into the confines of a mind that is still trying to understand the spectrum of what it is to be human. To feel less than human. To feel more than human. Heavy Crowns is an attempt to shine light on voiceless atrocities and applaud underrated strength and beauty. This is a journey set on roads meant to stir and heal. Heavy Crowns is a journey set on roads meant to make you listen and feel a little uncomfortable and a lot more human.
