

Raja Yoga or The Practical Metaphysics of The Vedanta

By M. N. Dutt, Re-Ed. by S. Jain

New Bharatiya Book Corporation, 2012. Paperback. Book Condition: New. 1st Edition. This little book is an attempt to present in one connected form what little I had an occasion to collect in the form of stray notes on the philosophy and practice of the Vedanta. The first section of the Introduction is the reprint of the paper I read in the middle of 1884, and the second section which forms as it were a supplement to the first, is reprinted from an introduction. I was asked to prepare early in the beginning of this year for an edition of the Bhagvad Gita by my friend Mr. Tookaram Tatya of Bombay. I am more encouraged to reprint these contributions, ' with the pretty frequent requests made to me, from different parts of the country, by persons interested in the advancement of transcendental studies, for allowing them to reprint and circulate the paper which forms the first section of the present Introduction. An attempt is here made to demonstrate the possibility of a universal science of ontology from the standpoint of modern physical science, and to present subsequently a brief sketch of all that Aryan philosophy has to say on...
